- (C) 'Manak Mail' is also his poetry collection published in 2018
- (D) 'Videha' magazine has become a laboratory of linguistics today

३३. In “Dedication, blessings, Setushama preface and Maithili firsts”, which statement is supported by the discussion of Shruti Publication?

- (A) Shruti Publication is the first standard publisher of Maithili
- (B) Ashish Anchinhaar also has an important role in this
- (C) That is, the use of various languages on the internet is increasing day by day, and this can be considered a positive aspect for local languages
- (D) Due to this, the dominance of Hindi is seen very strongly across North India

३४. According to “Dedication, blessings, Setushama preface and Maithili firsts”, which statement is accurate?

- (A) This land has had a rich tradition of scholarly debates, the Panji system, folk songs, folk tales, and cultural discipline
- (B) In the Gita, Krishna considers the Samaveda the most important among the Vedas; the reason behind that is singing
- (C) His second book is 'Chakshu', published in 2018 by Pallavi Publication
- (D) In this, by investing his time, money, and energy, he has given Maithili that place in the digital world for which the present and future generations will remain indebted to him

३५. Which point best matches the argument of “Dedication, blessings, Setushama preface and Maithili firsts”?

- (A) Most of the stories collected in this collection are related to social concerns
- (B) The study of the Panji has been done from various different perspectives
- (C) In most of North India, including Mithila, the Kauthumiya branch is prevalent, but other branches are also recited
- (D) The stories of Gonu Jha reside in the throats of every household in Mithila

३६. In “Dedication, blessings, Setushama preface and Maithili firsts”, which statement is supported by the discussion of Folk Language?

- (A) The 18 picture stories included in it are very attractive
- (B) As a creator, he has one book, 'Nishtuki', published in 2009 by Shruti Publication
- (C) In Maithili literature, very few such couples are seen who are completely dedicated to their mother tongue
- (D) Since the singing of the Samaveda was inspired by folk language, it had to adopt many elements from it, which is why the then Rigvedic scholars also opposed it

३७. According to “Dedication, blessings, Setushama preface and Maithili firsts”, which statement is accurate?

- (A) Gajendra Thakur is the first editor in Maithili who publishes issues of a magazine in more than one script
- (B) But there is also a truth that in modern times, Maithili literature, due to its stability and conventional standards, did not give adequate space to social diversity
- (C) A good editor not only assesses the writer's capability; they also gauge the writer's aspirations
- (D) The meaning of this mantra is: "I am the first-born of the cosmic order (Rita), I existed even before the gods, and my name is Amrita (immortality)

३८. In “Dedication, blessings, Setushama preface and Maithili firsts”, which statement is supported by the discussion of Gajendra Thakur?

- (A) He sees traditional subjects with a new perspective and makes his own distinct mark
- (B) This could also be one reason why Sanskrit mantras are given in some issues of Videha and in books
- (C) Gajendra ji, through 'Videha', prepared data of millions of Maithili sentences and also, at a personal level and through various forums, encouraged people in the Google community to check the accuracy of Maithili translation
- (D) This is the second book edited by me on the contribution of Gajendra Thakur and Preeti Thakur to Maithili literature

३९. What does this section most clearly suggest about Preeti Karan Setu Banhal?

- (A) While editing this second book, I have exercised some precautions, which it seems appropriate to share with the readers, such as: 1) For the readers, the book "Preeti Karan Setu Banhal - Redefining Maithili" was the original book
- (B) Cooperation of the Panjikars is not being received in this work because the Panjikars fear that if the entire Panji is digitized once, their livelihood will be finished
- (C) Shri Gajendra Thakur ji got Mithila's Adi Panji 'Genome Mapping' (two volumes) published along with two other editors (Nagendra Kumar Jha and Panjekar Vidyanand Jha)
- (D) In this book, you will see that along with the index, you will find details of mantras, symbols (Anjis), etc., along with information from Videha

४०. In "Dedication, blessings, Setushama preface and Maithili firsts", which statement is supported by the discussion of Children's Literature?

- (A) Until now, no significant criticism has been made of all the literature written by Gajendra Thakur, especially his children's literature
- (B) The specialty of this book is its artwork, which attracts the child's mind
- (C) You are the best among the wise (kavis) and the supreme
- (D) And that is why they can neither express a desire to benefit from the work done on ghazal by Ashish Anchinhaar, nor can they appreciate/praise his work

४१. According to "Dedication, blessings, Setushama preface and Maithili firsts", which statement is accurate?

- (A) It is expected that in the future, evaluations of various subjects related to Gajendra Thakur and Videha will happen
- (B) He also expresses concern over the economic condition of the Panjikars and the decline of this knowledge
- (C) All the stories are crafted very interestingly with simplicity and ease
- (D) He has made Maithili literature accessible to a wider readership by translating from Maithili into English

४२. What does this section most clearly suggest about Preeti Karan Setu Banhal?

- (A) From the writers who wrote in the first edited book "Preeti Karan Setu Banhal - Redefining Maithili," I intended not to have them write in this book, but this was not a strict rule
- (B) In tribal culture too, the chief's decision was considered important in marriage decisions
- (C) His contribution to the Unicode standardization of the Tirhuta script has been specially recognized by scholars
- (D) Forget seeing him, it does not even occur to me that he has been discussed in any meeting or gathering; this is unfortunate

४३. According to "Dedication, blessings, Setushama preface and Maithili firsts", which statement is accurate?

- (A) From this perspective, this is perhaps the first book in which such a detailed analysis of the discipline of criticism in Maithili literature has been done, attention has been paid to every minute detail
- (B) Among these, Caroline Brown Hinz, Radhakrishna Choudhary, R
- (C) And that is Umesh Paswan." "The vision with which he sees his spring, sees the N.H. crossroads, is broad, hence his poetry is also broad." (3) And this vision was seen in 'Videha' e- magazine
- (D) But despite that, they all write for Videha, and the result is that the book gets a multi- dimensional quality

४४. According to "Dedication, blessings, Setushama preface and Maithili firsts", which statement is accurate?

- (A) So, just as the presentation of the first edited book "Preeti Karan Setu Banhal - Redefining Maithili" was based on Maithili folk songs, the presentation of this second book is imbued with the aura of the Vedas
- (B) And... now non- forward caste and newbie writers, turning from minority to majority, have roamed the open field of Maithili and hit a flurry of fours and sixes
- (C) Gajendra Thakur seriously felt the gravity of this crisis and played a pioneering role in reviving Mithilakshar
- (D) A discussion of the subject matter related to this has been done in detail by Gajendra Thakur in an important article

84. What does this section most clearly suggest about Preeti Karan Setu Banhal?

- (A) In the modern era, immediately after Manbodh, many writers including Chanda Jha expanded Maithili through the medium of prose
- (B) And ultimately, Maithili has to bear the brunt of this." Along with this disclosure, he also welcomes 'fearless new litterateurs' in Videha's courtyard
- (C) For additional remaining information, such as the introduction of Gajendra- Preeti Thakur, their published books, etc., the reader will have to read "Preeti Karan Setu Banhal - Redefining Maithili"
- (D) 'Vishwasghat' in 2013, 'Beti ke Apman', 'Chhinardevi', 'Oonch- Neech', 'Bhont', 'Nab Ghar', 'Barham Baba', 'Ghogh Bali Kaniyaan', 'Rasun-Piyaj', etc., have been published

85. In “Dedication, blessings, Setushama preface and Maithili firsts”, which statement is supported by the discussion of Preeti Karan Setu Banhal?

- (A) In the first edited book "Preeti Karan Setu Banhal - Redefining Maithili", there was no article by me on Gajendra Thakur
- (B) In most of North India, including Mithila, the Kauthumiya branch is prevalent, but other branches are also recited
- (C) I wrote this article inspired by Ashish Anchinhaar ji himself
- (D) In such a situation, many things that are thought of cannot be done

86. What does this section most clearly suggest about Gajendra Thakur?

- (A) For the special issues of Videha, I also approach those people for articles, inform them, who are staunch opponents of me, Videha, or Gajendra Thakur
- (B) 'Sukhal Man Tarasal Aankh' Pallavi Publication, Nirmali - year 2014, and 'Antatah' Geetashree Publication, Patna - 2019
- (C) The Videha team continues to do the work of giving opportunities to such a large number of new writers and guiding them
- (D) For example, Ghazal Shastra, Vignette Story, Rubai, Tanka, Senryu, and Haibun, etc., etc

87. What does this section most clearly suggest about Gajendra Thakur?

- (A) Whatever that world of Maithili may be, there is no doubt that Gajendra Thakur and Preeti Thakur will continue their contribution to Maithili
- (B) When the 'Kedarnath Choudhary Special Issue' was announced by the Videha team, I was told, "We estimate that you can write criticism." Along with that, Ashish ji also sent PDFs of two or four books by Kedarnath Choudhary on WhatsApp
- (C) His major lexicographical works are: Maithili-English Dictionary English-Maithili Dictionary
- (D) Especially due to easy access and use of Hindi, Nepali, English language films, the Internet, social media, and Artificial Intelligence (AI), the erosion of Mithila-Maithili is increasing even more rapidly

88. Which point best matches the argument of “Dedication, blessings, Setushama preface and Maithili firsts”?

- (A) Gajendra Thakur is the first person to bring the Panji into the public domain, in digital and book form for the common people
- (B) This time proved decisive in his intellectual life, because during this period he became deeply involved in the study and textual criticism of ancient palm-leaf manuscripts
- (C) For additional remaining information, such as the introduction of Gajendra- Preeti Thakur, their published books, etc., the reader will have to read "Preeti Karan Setu Banhal - Redefining Maithili"
- (D) For the novel 'Matik Suvas', she was honored with the 'Maheshwari Singh Mahesh' Award in 2024 by Chetna Samiti, Patna

५०. Which point best matches the argument of “Dedication, blessings, Setushama preface and Maithili firsts”?

- (A) Every great litterateur had someone as a guide, then they became great
- (B) In his life, Gajendra Thakur has crossed the four obstacles by building the four bridges of the Setushama mantra of the Samaveda and continues to inspire others to do the same
- (C) Along with this, his attention also went to Dushan Panji
- (D) He completed the work of digitizing the Panji around the year 2007

५१. What does this section most clearly suggest about Genealogical Society of Utah?

- (A) This could invite not only litterateurs but also Maithili-speaking sociologists, scientists, linguists, and various other distinguished individuals and professionals
- (B) Nowadays, the internet plays a very big role in increasing the importance of any language
- (C) Before Gajendra Thakur, the Genealogical Society of Utah (United States) came forward for the preservation of the Panji, but they built an archive for themselves, not for the society
- (D) Where Munni Kamat has reached today, its beginning was from 'Videha' e- magazine

५२. According to “Dedication, blessings, Setushama preface and Maithili firsts”, which statement is accurate?

- (A) Although my writing journey is not very long, I have come across some editors whose mentality is that publishing only the works of senior litterateurs increases the prestige and reputation of their magazine
- (B) The common public cannot use the Panji archive that is with the Genealogical Society of Utah because the Genealogical Society took it by paying money; now its digital form is their property, which they use for their own research
- (C) It is very possible that these new writers, taking confidence from Videha, move forward, improve their language, and become famous later
- (D) It is no exaggeration to say that this new creation in Preeti Thakur's literary genre is a wonderful effort to connect the new generation with their culture, their roots, their land and water

५३. What does this section most clearly suggest about Panji?

- (A) In this book too, no article by me about him will be found
- (B) Language is alive, and whatever is alive, keeps changing." Many established literary groups did not like Videha's openness
- (C) Nowadays, many people are found saying that the Panjikars do not cooperate in giving the Panji; perhaps that is a result of the work of the Genealogical Society
- (D) Research and study are being conducted all over the world on how many types of genetic disorders occur from marriage between close blood relations

५४. Which point best matches the argument of “Dedication, blessings, Setushama preface and Maithili firsts”?

- (A) It is necessary to quote here that in the second and third applications given for approval during that research, he expressed gratitude for the help of Videha and Gajendra Thakur
- (B) Many traditionalist groups said - the language is deteriorating, hearts are breaking, discipline is over, the new generation is going in the wrong direction
- (C) There is a fine line between vignette stories and short stories; most people consider them the same
- (D) But in contrast, Gajendra Thakur, with his willpower and hard work, made the things of Mithila accessible to the people of the entire country at both digital and print levels for Mithila

५५. In “Dedication, blessings, Setushama preface and Maithili firsts”, which statement is supported by the discussion of Videha Magazine?

- (A) Videha magazine is the first Maithili magazine to receive an ISSN (International Standard Serial Number)
- (B) This makes it clear that for him, literature is not just a means of emotional expression, but a comprehensive cultural responsibility
- (C) Mythological stories like Vidyapati, Raja Saheb, Dina Bhadari, etc., have found their place in this book
- (D) Gajendra Thakur seriously felt this lack and started working on word collection and word organization

५६. What does this section most clearly suggest about Videha?
